#### DESCRIPTION

With the certificate **10% Europe Reverse Convertible Bond** investors obtain an annual fixed interest rate of 10%. Whether the nominal value is returned at the end of the term or whether physical delivery of shares is effected depends on the performance of the underlying shares. In case of physical delivery of shares at the end of term, a predefined number only of the share with the worst performance is delivered. In this case investors are entirely subject to market risk.

## The barrier has been touched by Koninklijke Philips NV on Oct. 12, 2022

This advertisement serves as non-binding information. The author assumes no responsibility for the accuracy, timeliness and completeness of this advertisement. The provided information is not an offer and is neither a recommendation nor a financial analysis. It does not replace investor-oriented and investment-oriented advice for the purchase and sale of the financial instrument. The base prospectus (including possible amendments) and the respective Key Information lobut met (KID) of the financial instrument are available on the website of Raliffeisen Bank International AG ("RBI") at www.raliffeisenzentifikate.at/en/securitiesprospectus. The approval of the Base Prospectus by the FMA should not be understood as an endorsement of the financial instrument described herein by the FMA. You are about to purchase a product that is not simple and may be difficult to understand. We recommend that you read the prospectus before making an investment decision. The investor bears the credit risk of RBI when purchasing the financial instrument. The certificate is subject to specific rules that may already be disadventageous in case of a probable default of RBI (e.g. suspension of interest payments) - see www.ralifeisencertificates.com/en/basag. The price performance is not a reliable indicator of future performance. The investment may lead to tax obligations that vary depending on the client's personal circumstances and future changes. Any limited tax liability in Austria concerning non-resident taxpayers does not imply tax exemption in the state of residence. Please note that due to legal requirements, the times stated here are based on the coordinated world time (UTC). The Central European Time (CET), which applies in Austria, Germany and other Central European countries, is calculated by adding one hour, the summer European Central Summer Time (CEST) by adding two hours. RBI is registered in the business register FN
