DESCRIPTION

Long Index Certificates enable investors to directly realise a rising market expectation. Investors participate 1:1 in the performance of the underlying index. In case the underlying quotes in a currency different to that of the certificate, a deviation in the 1:1 participation may occur.

Due to the current situation and the associated exceptional market conditions, we are currently unable to quote Certificates on Ukrainian underlyings. We are endeavouring to resume quotation as soon as possible.

The provided information is not an offer and is neither a recommendation nor a financial analysis. It does not replace investor-oriented and investment-oriented advice for the purchase and sale of the financial instrument. The base prospectus (including possible amendments) and the respective Key Information Document (KID) of the financial instrument are available on the website of Raiffeisen Centrobank AG ("RCB") at www.rcb.at/en/securitiesprospectus. The approval of the Base Prospectus by the FMA should not be understood as an endorsement of the financial instruments described herein by the FMA. You are about to purchase a product that is not simple and may be difficult to understand. We recommend that you read the prospectus before making an investment decision. The investor bears the credit risk of RCB when purchasing the financial instrument. The certificate is subject to specific rules that may already be disadvantageous in case of a probable default of RCB (e.g. suspension of interest payments) - see www.rcb.at/en/basag. The price performance shown here is only an information about the historical price performance. Information on past performance is not a reliable indicator of future performance. The investment may lead to tax obligations that vary depending on the client's personal circumstances and future changes.
