DESCRIPTION

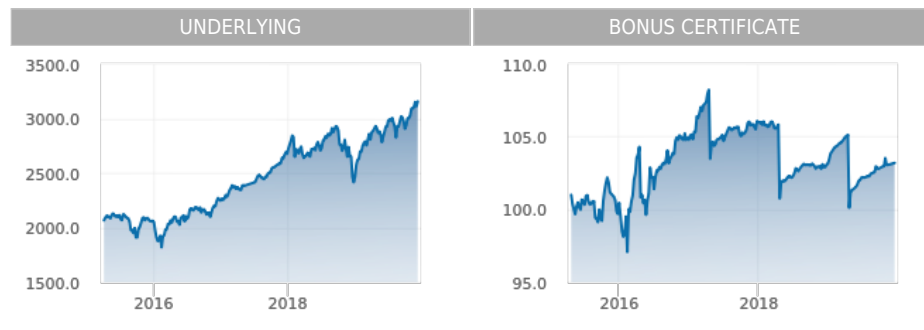

With Raiffeisen Centrobank's 4% S&P 500® Bonus&Safety Certificate investors will obtain an **annual fixed coupon of 4% p.a.** during the five years term. Redemption at the end of the term (Apr 2020) depends on the performance of the S&P 500®: the certificate is redeemed at 100% (equivalent to USD 1,000.- per certificate) provided that the index never loses 70% or more of its starting value during the observation period.

If the underlying touches or drops below the barrier of 30% of the starting value (70% risk buffer), redemption will be effected according to the performance of the underlying (percent index performance from the starting value to the closing price at the final valuation date). The opportunity for yields is in any case limited by the annual fixed coupons. Investors do not participate in price increases of the underlying above the starting value.

Product issue price: 100% (corr. to starting value underl.: 2,100.40) **Product barrier:** 30% (corresponds to underlying: 630.12)
