#### DESCRIPTION

The **Daimler Express** Certificate has a pre-defined maximum term until August 2021 (5 years). The certificate is redeemed prior to the maturity date at the predefined termination price, if the closing price of the underlying share (Daimler AG) quotes at or above the termination level at the due date.

If the share price quotes below the termination level the term extends to the next valuation date and the possible yield increases by 11,5%. At the end of the term the **barrier of 50% of the starting value** represents an additional safety mechanism.
