DESCRIPTION

The **Europe Express 7** Certificate has a predefined maximum term until May 2022 (5 years). The certificate is redeemed prior to the maturity date at the predefined termination price, if the closing price of the underlying EURO STOXX 50® index quotes at or above the termination level at the due date.

If the index price quotes below the termination level the term extends to the next valuation date and the possible yield increases by 6%. At the end of the term the **barrier of 59% of the index starting value** represents an additional safety mechanism.
