DESCRIPTION

The **USD 5.3% Apple Express** certificate offers an annual opportunity for early redemption, if the share of Apple Inc. quotes at or above its starting value at one of the valuation dates. If the share quotes below the starting value, the term extends by another year - up to a maximum of three years. During the term annual fixed interest rates of 5.3% paid out. In the event of a barrier violation at the final valuation date, the investor is entirely subject to market risk and physical delivery of Apple shares is effected.
