#### DESCRIPTION

The certificate 6% European Industries Bonus is endowed with an attractive fixed interest rate: the interest rate of 6% will be paid out regardless of the performance of the three underlying indices (EURO STOXX® Banks Index, STOXX® Europe 600 Basic Resources Index and STOXX® Europe 600 Health Care Index). Whether the nominal amount is repaid at 100% at the end of the term depends on the performance of the three underlying indices during the term. If the initial barrier of 59% is violated, investors will be exposed 1:1 to market risk, as the redemption will be effected according to the performance of the worst performing index.
