DESCRIPTION

With the Megatrends Bonus&Growth certificate investors participate without any yield limitation at 100% in the positive performance of the underlying iSTOXX® Global Megatrends Select 50 Price EUR index at the end of the term. Provided the barrier of 55% of the index starting value was never touched or undercut during the observation period, the certificate will be redeemed at the minimum of 110% of the nominal value. In the event of a barrier violation during the term investors are exposed to full market risk; this means a substantial capital loss is possible.

Details on the **iSTOXX® Global Megatrends Select 50 Price EUR index** as well as the current list of index members can be found on the website of the index provider STOXX Ltd.
