DESCRIPTION

With the certificate **Infineon Express 4** you have an annual yield opportunity of 8.5% as well as the option of early redemption. If the share quotes at or above the respective termination level on one of the annual valuation dates, (early) redemption is affected including interest of 8.5% per year of term. If the underlying quotes below the barrier at the end of term, shares are delivered; the value of the shares delivered will be significantly lower than the nominal amount of the certificate. This certificates complies with the **sustainability standard for Raiffeisen Certificates** and takes into account important adverse impacts on sustainability factors ("PAIs").
