#### DESCRIPTION

The certificate 3.5 % S&P 500® Reverse Bonus enables investors to obtain a fixed annual interest rate of 3.5%. At the end of the term (June 2023) redemption depends on the performance of the S&P 500® index. If the S&P 500® index always quotes below 135% of its starting value during the observation period, redemption is effected at 100% at the end of the term. In case of a barrier violation, the investor is entirely subject to market risk.

**The barrier has been touched on November 09, 2020**
