DESCRIPTION

The certificate **Raiffeisen Bank International Express 2** offers an annual opportunity for early redemption, enabling investors to obtain a yield of 10% per year if the share of Raiffeisen Bank International AG quotes at or above its starting value at one of the valuation dates. If the share quotes below the starting value, the term extends by another year - up to a maximum of five years. In the event of a barrier violation (60% of the starting value) at the final valuation date, the investor is entirely subject to market risk and physical delivery of Raiffeisen Bank International shares is effected. This certificate complies with the **sustainability standard for Raiffeisen Certificates** and takes into account important adverse impacts on sustainability factors ("PAIs").
