DESCRIPTION

With the certificate **Europe Inflation Bonus&Safety 8** investors receive an annual interest rate consisting of two components: 0.75% fixed interest rate plus the euro area inflation rate. The nominal amount is repaid at 100% if the EURO STOXX 50® index always quotes above the barrier of 49% of its starting value during the term. In the event of a barrier violation, investors are exposed to market risk on a one-to-one basis. In this case, a substantial capital loss is possible.

Details on the index can be found on the website of the index provider STOXX
