DESCRIPTION

The certificate **Mercedes-Benz Express 8** offers an annual opportunity for early redemption, enabling investors to obtain a yield of 10% per year if the share of Mercedes-Benz AG quotes on one of the annual valuation days at or above the annually declining termination level. If the share quotes below the starting value, the term extends by another year - up to a maximum of five years. In the event of a barrier violation (60 % of the starting value) at the final valuation date, the investor is entirely subject to market risk and physical delivery of Mercedes-Benz shares is effected.
