DESCRIPTION

The certificate **Europe Inflation Bonus&Safety 31** offers you an annual interest rate based on the inflation rate plus a premium of 2%. Redemption at the end of the term is 100%, provided the underlying always quoted above the barrier of 49% during the term. If the barrier is violated, you are exposed to the market risk on a one-to-one basis and a significant loss of capital is possible.

Details on the index can be found on the website of the index provider STOXX
