YOUR RESPONSIBILITIES

- Develop our product range and customer experience in daily banking across all aspects of the account, card and payments lifecycle in an open bank environment
- Develop value propositions for our products using the latest digital technologies
- Be a key player for our end-to-end digital onboarding process for clients (KYC, etc.)
- Be a key player regarding payment protocols and the implementation PSD2 standards
- Operate market research to apply best practices and to ensure our competitiveness
- Cooperate with stakeholders along the product value chain (Compliance, IT, etc.)

YOUR QUALIFICATION

- 5+ years' experience in a banking, payment or fintech environment
- Experience in business process analysis preferably in payments, accounts and cards
- Experience in data flow analysis for customer journey creation in Daily Banking
- Understanding of structures and workflows of open banking/mobile banking
- English on a professional level is a prerequisite

OUR OFFER

- A modern, centrally located office in the 3rd district of Vienna with a view over Stadtpark, canteen, home office, cell phone, laptop as well as job ticket and other benefits.
- A position within a product-driven environment full of professionals that offers a lot of space to unfold your ideas and creativity
- We guarantee payment according to your official national collective agreement („Kollektivvertrag“) of EUR 2.665,15. We have a clear willingness to overpay, and you can expect an appropriate payment depending on your concrete skills and experiences.

We are proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to age, ethnicity, race or colour, national origin, religion, political or other opinion, sex, sexual orientation or disability.
